covenantlife CHURCH PCA

NOVEMBER & DECEMBER

Send Me

For our Covenant Life Church Family,

The families highlighted in this pamphlet are those who have heard and obeyed the call of God to work in the fields where the “harvest is ripe, but the workers are few.” We, the attenders of Covenant Life Church, serve as the senders of these sacrificial servants who take delight in bringing God’s Word to the unreached people in this world.

Each family receives a monthly donation that helps pay their salaries and is available due to the generous, regular monies given by you. They could not go if we did not send. However, the Mission Team, the Pastors and the Diaconite ask you to consider a more significant role than financial. These missionaries covet our prayers and concerns for their lives. Our roles may include moral support, communication support, logistics support, re-entry support, hospitality support…as well as financial support. Would you consider choosing a role that would engage you with a missionary family?

Ways to Pray

- God to open doors and hearts for the Gospel.
- Healthy relationships with spouse and family.
- Good physical health.
- Safety in travel and from other dangers.
- Patience in, understanding of, and love for, a different culture.
- Peace and safety so the Gospel may be spread.

You also must help us by prayer, so that many will give thanks on our behalf for the blessing granted us through the prayers of many. - 2 Corinthians 1:11

PLEASE DO NOT FORWARD OR POST FOR SECURITY REASONS

AGAPE FLIGHTS … Allen Speer

Venice, Florida

Agape Flights provides weekly cargo and mail flights to nearly 300 missionaries in the Bahamas, Haiti, and the Dominican Republic – nations that together represent approximately the population of Florida. Whether it's food, medicine, farm supplies, water filtration, solar power equipment or discipleship materials, missionaries have been depending on Agape's timely deliveries for 43 years.

PRAISE

A recent donor gave a vehicle to Agape Flights to "use the funds where needed most." His prayer was that his generosity would inspire others and create a multiplying effect.

An almost-new, preowned Cessna 408 Sky Courier is available for purchase at a significant discount compared to the cost of a new aircraft.

A local church held a "Week of Increase" event and raised $4.5 million to work toward that possibility. Extraordinary generosity! And Agape Flights has $1.5 million available in our "Aircraft Replacement Fund.

PRAYER

Please pray that the final $1 million to complete the purchase of this extraordinary plane for the work He has given us might become available soon. We are so close to this finish line!

Thank you for joining with us to fulfill our purpose: to share the unconditional love of Jesus Christ throughout the Caribbean by serving the missionaries and ministries making an eternal difference.

ANCHOR YOUR LIFE
… Marji "Mike" Kruger

Lesotho & South Africa

Anchor Your Life seeks to help meet physical, educational, and spiritual needs of targeted groups of children in Maseru, and Lesotho - South Africa. The program revolves around a weekly Bible study that the children must participate in to be eligible to receive food and assistance.

PRAISE

• The school year finishing at the end of November!

• For the AYL Lesotho staff who work tirelessly sharing God's Word and doing their best to watch for opportunities for all ages to excel!

• For the amazing privilege of watching 4 more of our young adults graduate with college degrees!!!!

PRAYER

• For all of the AYL kids who are finishing their final term of the school year…pray that each will remember what they've learned and do great on their final exams.

• For the AYL grade 7 students who have applied for high school admission…pray that God gives the AYL staff wisdom with who will receive sponsorships.

PRAYER

• For safety of all our kids and families during the holiday season when crime increases significantly.

• For the story of Christmas to "come alive" with new meaning as we celebrate Jesus' birth.

• For the finalization of the meetings, teaching times, and events especially our annual Christmas party which will be held on December 6.

• For the December trip…Mike leaves on Thanksgiving Day to make the long travel…pray for safety and that she will see God work exponentially in the kids' lives.

• For Mike as she leads AYL…and for upcoming expansion of the AYL USA leadership team.

EQUIPPING LEADERS INT.
… Carla Stevens

Global Teacher Education

Carla's responsibilities are in the areas of curriculum development and teacher training, with the goal of equipping and preparing Christian teachers, parents, and church leaders with tools to arm children with a biblical worldview and for them to have a passion for sharing the Gospel of Christ. Her ministry PS78TEACHERS, takes its name from Psalm 78:4.

PRAISE

For answered prayer as Carla and her PS78Teachers team attended the Equipping Leaders International (ELI) Annual Conference. All in attendance expressed gratitude for the expansion of ELI's mission to include Christian school teachers. Carla's presentation of the new entry-level curriculum for teachers was well received, and the integration of PS78Teachers into the organization was included in ELI's long-term strategic goals!

PRAYER

For steady progress as the team writes these new entry-level teacher modules.

ETHNOS 360
… Tanya

Pacific Region

Ethnos 360's core belief and values are an integral part of church planting among unreached tribal people. Tanya trained 2 years with Ethnos before doing translation work in Indonesia where she is now living, and learning the language then translating the Bible in a people group that doesn't yet have the word. The team will also present the Gospel through chronological teaching "Creation to Christ."

PRAISE

Thankful for the house building progress: water and electrical systems installed, all windows and doors installed, all flooring done, ceiling in some rooms done, water tower built and hooked up to the water system. All that's left for me to move in is finishing the ceiling in my room and building the kitchen counter so I will be able to cook

Thankful for another 8 books of the Bible already checked and printed out for the church to use (1 book of Ruth and Jonah together, 1 book of Paul's letters: Ephesians, Phillipians, Colossians, 1, 2 Timothy and Titus). Also, a website with all 10 translated books already working.

PRAYER

• Pray for my Culture and Language study - after I move in, I will finally fully plunge myself into this process - so that it will go smoothly because I haven't done it for a while.

• Pray for a resolution for a hassle with my banking app here (my bank here switched to a new app and the registration process is not foreigner-friendly), and also I can't transfer my support from the US to my local bank account (not related to the problem above).

GLOBAL SERVE INT.
… Cassie

South East

Cassie's hope is to see a church planted among a people group that currently does not have a gospel witness in its heart language and see a completed Bible translation in their language.

PRAISE

• Ken, Amy, Molly and Kevin are able to visit us in our country.

• The Father has provided an excellent tutor to help me in my language learning.

PRAYER

• For wisdom: A local friend of mine who was a single mom recently passed away. Her son is 15 and his family and I are working to try and figure out a long-term living situation for him. The family is majority religion and I am the only non-family member in these discussions. Please ask that I would use the Father's wisdom to share and communicate clearly truth to this young man as well as walk through making good decisions with the family and, hopefully, to shine a light in a dark place.

GLOBAL SERVE INT.
… Greg and Julieann

Asia

Greg & Julieann serve with GSI, working in limited access countries among unreached people groups. Please pray as they work with church planters in difficult regions of the world, for wisdom, open doors and access to these areas that need the gospel.

PRAISE

• Praising the Lord for speaking at a great conference in South Dakota last weekend.

PRAYER

• In November we are leading meetings in San Diego and then teaching in Radius. Please ask for good meetings, valuable time with students and wisdom as we teach and share.

GLOBAL SERVE INT.
… Moises Buendia

Peru

Moises lives and works in some of the poorest areas in Peru. His ministry is to work with young children and teens to raise them up to be followers of Christ. The ministry also provides food and clothing for children in these neighborhoods. These children would just go hungry if not for this ministry. Moises has helped with many short term trips from our church and has been doing this ministry for over 20 years.

PRAISE

• I praise God for the Sunday Bible School, which has seen an increase in attendance of children and adolescents over the last few months. We average about 75 participants each Sunday. The adolescent class, in particular, has remained faithful and consistent.

• I praise God for the Youth Ministry. We have been praying for this. We are now meeting during the week. Although it is still a small group, with God's help, we will work to reach more young men and women.

• Praise God for the perseverance and faithfulness of the 12 believing students in the Sunday Bible School who are taking the "Christian Life" course. My prayer is that, upon completing this preparation, God will place in their hearts a desire to be baptized.

PRAYER

• Please pray for the church activities being planned to mark our 8th anniversary, November 22. This was when we were officially constituted as a church.

• Pray for our Vacation Bible School, occurring next year. This event is highly anticipated by the children in our community and draws many of them. This month, we will begin organizing the team and materials for this event.

• Please pray for our church administration. 3 years ago, two elders passed away and went to be with the Lord. We need to replace these men. We have several men in the church who are currently being taught the Word of God. It is possible that one or more of them could be appointed as an elder. Please pray for them.

GLOBAL SERVE INT.
… Terry and Vie

Unreached People Group: Southeast Asia

Reaching unreached people.

"I will PRAISE you, Lord, among the PEOPLES; I will sing praises to YOU among the NATIONS." Psalm 57:9

PRAISE

• We are incredibly thankful to our God for His provision during our first coffee season! The season has officially ended and all of our coffee sold out! We also established some promising relationships for next season. We are grateful for the Lord's faithfulness and provision as we continue building the business.

PRAYER

• Pray for wisdom and guidance as we negotiate with a landowner about purchasing a promising piece of land. Pray the Lord would direct this process, give us discernment and help us steward the resources He has entrusted to us.

• We are looking forward to spending time with visitors. Pray our time would be refreshing, encouraging and spiritually fruitful.

•Pray that we would maintain good momentum in our language learning between now and next season. Pray for perseverance, discipline and continued growth in our ability to communicate meaningfully with those around us

PRAYER

• May our relationships with neighbors continue to deepen. We need growth in understanding and building genuine friendships. We want to love our neighbors well and have opportunities to share our lives and faith with others.

• Pray that we would establish healthy routines as a family – balancing language learning, business responsibilities, parenting and time together. We especially desire Sundays to be a time of genuine rest, refreshment and worship. Pray that we would continue growing in the practices of singing the Psalms together as a family – a real joy.

• Our son is now 2 ½ years old and growing quickly. His vocabulary is expanding tremendously and he is learning to assert his independence. Pray that the Lord would give us patience, consistency and gentleness as we parent him.

• Above all, pray that our family would continue growing in our love for Christ and one another.

HOPE FOR KAJIADO
… Gaye List

Kenya & East Africa

Hope for Kajiado supports three initiatives in Kenya: Kajiado Children's Home (KCH), Kajiado Valley School (KVS), and Namanga Hope Center (NHC). KCH, a home for vulnerable children, provides daily loving Christian care including grief counseling, spiritual nourishment, education and medical care. In addition, Kajiado Valley Primary and Junior High School, on the KCH campus, offers education to over 200 children from local villages, providing opportunities of spiritual nourishment. Namanga Hope Center provides school fees, food, and spiritual nourishment for over 85 orphans and has a feeding program for area families in need. Founded by an alumni of KCH, NHC aims to provide for orphans, inspired by the love and education he received at KCH. One to three mission trips are planned annually based on participant attendance.

PRAISE

• The children at KCH are looking forward to returning to their villages for the Christmas holidays beginning mid-December. They are now enjoying maintaining their "Why I love Jesus" flower gardens and participating in mentorship programs.

• Grateful for the progress of a church plant associated with the Namanga Hope Center. Land has been acquired and a rock perimeter is near completion.

• Mission trip planning for U.S. visitors to KCH is now in progress. 15 people have already expressed interest.

PRAYER

• Please pray for the children as they return to extended family members in their villages. This often places them (especially young girls) in compromising situations. Precautions are in place for "safe spaces" if they feel in danger and need to contact KCH. Classes start again the first week of January.

• At Namanga Hope Center (which is not a residential program), supported children are also at risk and are prepared in advance by mentoring programs to help them stay safe. Harmful tribal customs such as early child marriage and FGM are very real concerns.

• Please pray for end of year fundraising. Pray that we will be successful in covering the needs at KCH and NHC. As we move forward, we must sometimes make big steps of faith. But our God is faithful and knows our needs before we do. We need to raise $100,000 to build a facility at NHC for outdoor latrines, a deep water well, solar power and garden supplies.

INTERVARSITY LINK
… Matt and Bekah

Southeast Europe

The Meyers have both been on staff with InterVarsity serving college students for 17 years and have been in Sarajevo for the last 5. Through LINK, the Meyers work with EUS (Evangelical Union of Students), Bosnia and Herzegovina's national evangelical college ministry. EUS in Bosnia is primarily an evangelistic, pioneering ministry. In a country of 3.5 million people, there are fewer than 500 evangelical Christians and only a handful of Christian college students. There is very little access to the Gospel.

PRAISE

• We have many new students who have become involved in EUS. This is a big encouragement!

• Matt passed his PhD defense.

• We have two Bible studies happening - one weekly study at EUS that has been well attended, and another led by our colleague Tania (all covered women attend this) that is also going really well!

PRAYER

• Pray for the students who have started to explore spiritually to go deeper with us and that we have wisdom to know how to help them to go deeper.

• Pray for continued momentum in our Bible Studies.

• Matt will be leading a "What is the Bible, Where did it come from, and Why can we trust it?" Q&A event. Please pray for this!

• Pray for new students to continue to connect well with us and for our core students to welcome them.

• Pray for provision - we just received news that our largest supporting church will not be partnering with us anymore.

MISSION TO THE WORLD
… Collin and Zury

West Africa

Collin & Zury are members of an MTW church-planting team located in the largest city in West Africa. Their ministry emphasis is centered on helping to spearhead the first RUF ministry on the African continent in partnership with the local Presbyterian denomination. College students are, for a host of reasons the future of Africa. The Jennings are trusting in the Lord, in humble reliance upon the grace of His Spirit, to advance the Kingdom of Jesus Christ among unreached Muslim college students.

PRAISE

• For an opportunity we had to spend time in a small village outside of Dakar to refresh and connect with our adopted son, Matthieu. We met with our team leader and his wife, and found those times of rest, sharing and prayer very good to our souls.

• For giving us a chance to visit one of our denomination churches in Ngalkokhi. It was encouraging to see how God is at work in that village and in the life of pastor Charles. Pray for God's continuous work in that congregation and their community.

• For Matthieu's continuous growth. He is developing beautifully and we feel blessed to have him in our lives. He is starting to say more words, and we pray that he will continue to catch up in his development.

PRAYER

• For RUF activities and meetings with students as the school year is just about to start (I know! It starts much later than in the U.S.)

PRAYER

• For three of our students we have met with and have invited them to become part of our leadership team: Michel, Mike, and Etienne. Pray for God to be at work in their lives and for us to be able to pour our lives into them as they grow in their walk with the Lord and in their leadership/service skills.

• For health for Collin and I. We've both been struggling with some stuff which drains our strength for daily activities.

• For wisdom and strength as we learn to parent Matthieu. He is an amazing blessing from God, and we treasure every minute. Yet, we end up our days exhausted.

• For upcoming meetings with the leaders of the local denomination to talk about RUF and changes in leadership and direction.

• For our plans for December as Collin will travel alone to the U.S. for RUF training, while I, Zury, stay behind with little Matthieu for the first time. Pray that Matthieu will adjust well to not having daddy around, and for health and stamina for me as I care for him alone.

MISSION TO THE WORLD
… Franklin and Beth

West Europe

Franklin and Beth Beaver sever as Video Specialist Missionaries with Mission to the World (MTW). This creative couple uses their career skills in media to help colleagues and national partners around the world tell about the important and encouraging kingdom-advancement work the Spirit is doing through MTW church planting.

PRAISE

• After 20+ years of missionary service with Mission to the World, we will be retiring in September 2027! Since October, we started transitioning into retirement planning mode while uncoupling from our daily MTW activities. Some video production responsibilities remain, but we are now focusing on wrapping up our media ministry which includes saying sad but joyful good-byes to our many support partners. Covenant Life has been a faithful sending partner since 2008 and we can't thank God enough for your steadfastness in supporting our harvest labors for almost two decades. All glory, laud, and honor to our great God and Father who has blessed us so wonderfully with such dear ministry partners!

PRAYER

• Franklin has been experiencing acute low-back/hip pain for many months that is greatly affecting his sleep. After much medical advice and weeks of physiotherapy, it was determined that he needed an epidural steroid injection to mitigate nerve inflammation.

Please pray for positive results for him.

MISSION TO THE WORLD
… Hugh Wessel

France

Hugh fulfills a multifaceted role as seminary chaplain at John Calvin Seminary in the picturesque locale of Aix-en-Provence. In addition to his pastoral duties, he imparts knowledge and wisdom on topics such as cultural differences, missions, and street evangelism, all with a direct connection to the practice of church planting. He actively serves on two significant boards: the John Calvin Seminary board and Assisting Indigenous Ministries board. Notably, his passion for nurturing the next generation of leaders is evident in his fervent dedication to mentoring.

PRAISE

• Marseille Sud: Give thanks for several new people who have begun attending worship, apparently without anyone inviting them. I am also encouraged to be catechizing two young people and to have begun monthly theological instruction for church members.

• New opportunities in missions: Give thanks for the unexpected opportunities to encourage younger missionaries and to help churches become more actively involved in identifying, preparing, and sending workers into the harvest.

• Personal encouragement: Give thanks for improved health, renewed strength, and the opportunity to continue serving as I approach eighty. I am particularly grateful for the time the Lord has given me for theological reflection and writing.

PRAYER

• Marseille Sud: Pray that the Lord will continue gathering His people, strengthen the congregation in its understanding of the Gospel, and bless the pastoral visits, preaching, and teaching. Pray especially for the two young people being catechized and for those who have recently begun attending.

• Faculté Jean Calvin: Pray for wisdom and humility amid continuing challenges concerning relationships and governance. Pray especially for genuine reconciliation and that the Faculté will remain faithful to its calling of preparing men and women for service in Christ's Church.

• Mission opportunities: Pray for my visits to the United States in January and April, particularly for the churches where I have been invited to speak. Pray that these opportunities will encourage churches to take a more active role in Christ's mission among the nations.

NEXT & MTW … Eric and Rebecca Larsen

Global

Eric & Rebecca founded and lead Next and the Next Institute. This includes recruiting, training, sending, and sustaining Next-Gen ministers around the world. Their goal is to develop Next-Gen ministry movements by equipping missionaries, national leaders, and local churches to reach the global “10-30-year old’s.

PRAISE

• For the fruit God is bearing in Japan! We returned from teaching a NEXT Institute course, launching 2 Japanese pastors to reproduce the training, speaking at our city-wide youth ministry, and retreating with our growing Asia-Pac team. Rejoice in the many ways Jesus is working to reach young people in Japan and across Asia-Pacific.

PRAYER

• For us as we spend the next 4 weeks in 4 countries across Europe and Africa (I’m writing this from airport now). Pray for fruit in: leadership training, ministry partner development, and team building, all toward the goal of serving the global church in reaching the next generation.

• And would you pray for our daughter, Talie? She’s been dealing with difficult health issues and still pursuing tests to find cause and treatment.

Thank you for praying for us! We know the Lord works with your prayers to accomplish his mission!

PIONEERS
… Amanda Ross

Orlando, Florida

Amanda Ross serves at the home base of Pioneers in Orlando, FL. Her role is caring for missionaries on the mission field with the Member Care and Development Team. She comes alongside families as they prepare for the field, while they are serving, and when they are back on their Home Ministry Assignments. It is her joy to continue to be involved in missions after their years serving on the field in Peru and after her husband Jeremy served on this team as well.

PRAISE

• God sustained me on my trip to Thailand. I got to meet with many families and hang out with lots of Third Culture Kids (TCKs).

• We received a new Air Conditioner for our house for FREE! What a “cool” gift!

PRAYER

• Please pray for my 17 year old daughter Janna. She recently tested positive for mold toxicity and received a POTS diagnosis- it has to do with your heart rate spiking when you stand up. Both of these are very difficult health conditions with complicated symptoms. Pray for healing and wisdom as we figure out treatment, also for patience for Janna as she is discouraged with her complicated medical issues.

• Pray for Janna and Bella as they apply for college and nursing school for fall 2027. Pray that God would provide financially and give wisdom for just the right school for each of them.

PRAYER

• Pray for families that I care for in Southeast Asia whose children have varying special needs, for wisdom for their parents in caring for them in some remote and underdeveloped places.

• Pray for cultural dynamics in Southeast Asia that cause friendships for our TCKs to be difficult. Pray that each kid would find a good friend who understands them in their context.

• Pray for our family as we enter into the Thanksgiving and Christmas holidays for the second year without Jeremy. As we grieve and are thankful at the same time, as we cry and laugh as we appreciate Advent and also miss my husband/their Dad so much.

• Pray for me as I follow up with families that I met with in Thailand, that I would care well for them, encourage them and be a blessing to them as they serve overseas.

• Pray for me as I care for families in the Middle East as well, that God would give me capacity and wisdom for how to love on them in times of unrest.

SYNERGIE FRANCOPHONE … Angela Brandle

French-Speaking World

The goal of Synergie Francophone's is to honor God as we bring about spiritual growth and fruitfulness that will transform lives, local churches, communities, and nations in the French-speaking world in 49 countries. We do this by purchasing and supplying Bibles and Christian resources in French for people without access to them and we ship them to such communities around the world.

PRAISE

• Praise God with us for our new missionary families! Fabrice and Sylviane Dubus, working at the Clé Publishers in Lyon, France, are editing, fact checking, and proof-reading Christian books that they then distribute to French-speaking Europe and the world. Fabrice also serves as president of the board of the Brussels Bible Institute where he teaches church history Praise God for fruit in the DRC:

• Pastor Modeste and Lucie Mbombo, a well-trained and experienced pastor and his wife who leads the women's work at their church in Kinshasa, Democratic Republic of the Congo, made a missionary trip to Pygmy populations in the Kiri region of the country. They trained 60 Sunday school teachers for Pygmy churches, the first they have had, and printed lessons from SF's Sunday School Curriculum using a solar printer our donors helped to buy for them. They presented the Gospel through showing the Jesus film and saw many people trust Jesus as their Savior.

• Our partner Pastor Israël Kibombi traveled 321 miles by bus to pick up 200 Bibles in Kinshasa, purchased by gifts from our donors, and then another 800 miles by bus to take them to congregations that lack them. He visited families in their homes and saw 35 adults and children come to Christ before falling ill with malaria while still far from home.

PRAISE

• Our partner Pastor Jacques Luwaku spoke to five hundred young people in Kikwit, DRC, at the Annual Congress of the National Federation of Young Protestants from October 29-31. They came from various provinces and denominations. He handed out copies of The Purity Principle in French.

PRAYER

• Please pray for recovery from malaria and funds to purchase more Bibles for Pastor Israël Kibombi, gifts to purchase a projector for Pastor Modeste, and funds to purchase more books for Pastor Jacques Luwaku, to equip them for their fruitful ministries of salvation and transformation.

• Please pray for the health challenges of Executive Director Angela Brandle and her husband Willy.

• Despite a lean budget and many staff sacrifices, our end-of-year budget will be deficient by $13,000. Please pray for God to provide all that is needed for our ministry by the end of the year. Please pray that people who care about getting God's Word to those who do not have it will add SF to their "Giving Tuesday" donations.

THIRDMILL
… Rev. Brandon Lutz

The World

Most pastors in the world have no theological education and no way to obtain one. Thirdmill is working to meet this global need by creating and distributing a high-quality, multimedia seminary curriculum in the major languages of the world. Our goal is to make seminary-level education available to Evangelical Christians in their own lands, in their own languages, for free.

PRAISE

• July through September, I spent a significant amount of time working in the Global Languages department (translation). I worked on creating a stronger infrastructure and better workflows and processes, which should enable more efficient work and translation reports. My work has been received so well that I have been asked to continue spending time within Global Languages to maximize our translation efforts.

• In my Operations Director role, I have created over 70 Standard Operating Procedures (SOPs) for a range of tasks and workflows across Finance, Fundraising, Translation, Operations, and Human Resources. These have been very helpful in streamlining tasks and projects throughout the entire organization.

PRAYER

• Thirdmill's Distribution Partnership Director recently left for a new job, and I have been asked to step in as the interim Partnership Director, since this was my role at one point. I need humility and wisdom on how to navigate this season well internally for the staff, and externally for the many organizations that use Thirdmill materials in their education and training settings.

• Pray for Thirdmill as we continue to transition from generation one, with Richard Pratt at the helm, to generation two, with a stronger emphasis on how Thirdmill is accomplishing the mission: Biblical Education. For the World. For Free.

WORLD TEAM
… Gurudatt and Nadira Shiwdat

Paramaribo, Suriname

Gurudatt is the chairman of World Team Suriname and liaison to the national association of churches UNIE. He and Nadira have both been serving with World Team for the past 33 years. They are presently involved in enlisting, training, mentoring and coaching pastors, lay leaders, and emerging leaders and releasing them to reproduce themselves in others.

PRAISE

• Praise God for the students who received their diplomas after successfully completed three-years of Bible and Theological Training.

• Praise God that Gurudatt had the opportunity to teach the students during the final term of World Hope Bible Institute.

• Praise God for the core group of church leaders that Gurudatt is mentoring and training weekly.

• Praise God for His daily protection, provision, and guidance for our family as we serve the Lord in Suriname.

• Praise God that the National Association of Churches are functioning, and we are expecting wonderful things in the future.

PRAYER

• Pray that God will continue to supply all our needs as we serve Him on the mission field.

PRAYER

• Pray for all the students who graduated from World Hope Bible Institute. Pray that God will use them to build up the local church and spread the gospel in their communities.

• Pray for the recovery of Brother Akshay's father from hernia surgery.

• Pray for God's provision for Brother Akshay, an elder in the church, as he is seeking to build his house. The foundation is already laid and with the rising cost in the stores it will take a while for the completion of the project.

• Pray for Pastor David as he is planning a Bible Conference in December to encourage the tribal believers who are scattered in different communities. World Team Suriname will be collaborating to help with transportation and groceries for meals.

• Pray for Gurudatt as he prepares himself to teach various courses to students from World Hope Bible Institute who missed out on several courses and could not graduate.
