Our Vision

Young children are naturally active, inquisitive, and motivated. Children need to be affirmed and stimulated. We, at Little Explorers Preschool, want the children to grow and mature in a Christian environment of positive learning. Our preschool is run with accountability and quality kept at the forefront of our priorities. To this end, we are accredited by the prestigious Florida League of Christian Schools (FLOCS).

We seek to serve parents and children alike with an authentic and caring community.

Our Students

Our program is for all two, three, and four year old children. Children must have their birthday by the end of August to be admitted to their respective age group. We offer three day and five day programs for all age levels. Our schedule follows the public school year calendar with very few exceptions. Please see our "Handbook" and our school calendar for more details.

Our Commitment

Your child will experience a safe, caring, educational program in a Christ-centered environment.

We will help your child:

- To develop self-regulation and self-direction;
- To grow in independence;
- To develop curiosity, persistence and creativity;
- To learn social problem solving skills;
- To develop language and number skills;
- To develop large and small motor skills;
- To build self-confidence by encouraging the expression of ideas;
- To develop the idea that the church and the school are safe and supportive places for children.

Center Based Teaching

Our classrooms are center based to encourage the children to be both inquisitive and challenged. While children are exploring and playing, they are achieving a broad range of developmental goals which have been thoughtfully and skillfully planned out by their teacher. The lessons are designed to meet all aspects of early childhood learning.

Wrap Around Care

We offer after care from 12pm—2:00pm for the 2's and 3's and extended care 2:00pm- 5:30pm for 2's, 3's and VPK for an additional cost. We also offer wrap around care 7:30-5:30pm Monday- Fridays. for 2's, 3's and VPK for an additional cost.

Enrichment Days

These are Mondays and Friday designed to supplement the preschool experience with extra time of hands-on in math, science, literacy as well as arts and crafts.
