Please feel free to inquire about our policies and procedures as well as offer your suggestions. Our goal is to provide a healthy, safe, and stimulating learning environment for your child.

Thank you for allowing us the opportunity to serve you and your family.

Little Explorers Preschool

And whoever *welcomes* a little child like this in my name *welcomes* me.

Matthew 18:5

Mission and Purpose

Little Explorer's Preschool will provide a safe, caring and educational environment for children to discover and learn.

We believe that each child is a special gift from God (Psalm 139:13-14).

Therefore, our program will not only instill academics and school readiness skills, but Biblical worldview.

The balance of teaching and facilitating the discovery of cognitive, social, and physical skills and Biblical truth will contribute to the development of a well-rounded child. Additionally, we value partnership with parents, recognizing their role to train and teach their children and will seek to encourage them as we all invest in the lives of their children (Proverbs 22:6).

Our purpose is to facilitate the balanced development of children today for a better generation tomorrow.

Serve wholeheartedly, as if you were serving the Lord, not men. Ephesians 6:7

Our Students

Our program is for all two, three, and four year old children. Children must have their birthday by the end of August to be admitted to their respective age group. We offer three day and five day programs for all age levels.

Our Vision

Young children are naturally active, inquisitive, and motivated. Children need to be affirmed and stimulated. We, at Little Explorers Preschool, want the children to grow and mature in a Christian environment of positive learning.

Our preschool is run with accountability and quality kept at the forefront of our priorities.

We seek to serve parents and children alike with an authentic and caring community.

Teacher and School Certifications

The Little Explorers Preschool program is certified by the Florida League Of Christian Schools (FLOCS) and Southern Association of Colleges and Schools (SACS). We are committed to meet the Bylaws and cooperate with FLOCS guidelines. Therefore, we agree to promote spiritual and moral values as well as educational excellence.

Teachers are required to have Level II FBI fingerprint screen and FDLE background check. We also request references on each teacher hired. The State of Florida requires 40 hours of Introductory Child Care Training classes. These classes consist of the following: Child Care Facility Rules & Regulations, Health/Safety & Nutrition, Child Abuse & Neglect, Child Growth & Development, Behavioral Observation & Screening. Also required is 5 hours of Early Literacy and Fire extinguisher training. Teachers are required to complete 15 hours of in-service training annually. Teachers are certified with CPR and First-Aid.

All teachers are expected to work together as a team. This creates the appropriate environment and sets a good example for the children in the classroom. In order to achieve this, clear communication is vital. We refer to the Little Explorers Preschool staff as the Little Explorers Preschool Team.

Any child with above symptoms shall be removed from the classroom. The child will be isolated and the parent/guardian will be contacted immediately for pickup.

Lice and Nits (Eggs)

If lice or nits (eggs) are noticed while a child is in class, we will inform parents of our findings immediately and ask for the child to be taken home and receive at least one treatment before returning to school. **We will treat the matter as confidential.** We will inform all parents of the problem, through a letter being sent home, in order for them to monitor their own child. The affected students name will **not** be mentioned.

If parents detect lice or nits (eggs) in child's head, we ask that the child receive one treatment to head before returning to school and then inform the Preschool Director or Teacher, so they may inform all parents through letter. **We will treat the matter as confidential.** The affected student's name will **not** be mentioned.

Drop-off and Pick-Up Procedures

All parents are required to sign in their child(ren) daily on the attendance sheets with their full signature (**initials are not acceptable**) and time of arrival before their child(ren) is escorted to the classroom. All children must be signed in before the parent/guardian is allowed to leave. The classroom teacher will welcome and direct your child. Please drop off and pick up your child in the lobby. All adults will remain on the tiled area, unless directed by the director/teacher. This helps to make transitions smoother in both the morning and afternoon. In particular circumstances, exceptions will be made, but please wait to be directed by the director/teacher.

We expect that every child will be dropped off at the latest by 9:15am. **If you anticipate being any later, please keep your child home, as it is an interruption to the class already in progress. The teachers have the right to refuse entry to your child, if you are late!!! We also receive the right to dismiss your child from the program for excessive tardiness.**

The classroom teacher or assistant will bring your child to the lobby for pick up. All parents are required to sign out their child(ren) daily on the attendance sheets with their full signature and time of pick up before leaving with the child.

Only authorized individuals will be allowed to sign out and remove your child from the Little Explorers Preschool program. An authorization for release form must be completed and on file in the student file. Any authorized individual other than parent/guardian picking up a student after school must bring a picture I.D. to be matched up with the authorized release form filled out by parent/guardian. There will be **no** exceptions to this rule, so please be sure to communicate this to everyone authorized to pick your child up. If a picture I.D. is not presented, the child will be escorted to After Care until the required information is obtained. The daily fee for After Care or Late Fees will apply.

In the event that you know that another person will be picking up your child please inform the teacher during drop off so we can make a note and be prepared to request ID and already confirm that the person is on the approved pick up list, prior to pick up time. If unexpected situation arises, we ask that you email **and** phone the Director with name of person picking up and we will again ask for ID.

All children must be picked up no later than 10 minutes after selected program time or they will be escorted to After Care, where daily fees will apply, or late fees will applied if after 4:30pm. If parent/guardian is running late, they must call to inform the Preschool Director or church office. We understand emergencies and undue circumstances will arise and are willing to work with you, but we ask you to be respectful to the hours of the program and the teacher's schedules, as well.

The main doors to the classrooms upstairs and downstairs will be locked during program hours, due to security reasons. The main front doors to the church may also be locked during school hours. In the event of an emergency, the main office doors will always be open at the south end of the building.

Attendance Policy

Having your child attend school on a regular and consistent basis is an important part of their educational experience. If your child will not be attending school because of illness or vacation, you are required to inform the preschool director in person, email, or by phoning the main church office at 941-926-4777 and leaving a message. If your child has unexplained excessive absences without proper notification/documentation for a valid reason (doctor's note), Little Explorers Preschool reserves the right to remove your child from the program. If for some reason your child will be starting the program late or will be absent for an extended period of time, *you will be billed the regular scheduled amount for the program in order to reserve his/her place, even for months not in attendance.* The financial agreement (page 14) is still in effect. Financial arrangements can be made with the Director and/or Covenant Life Church Executive Pastor.

School Calendar

Little Explorers Preschool follows Sarasota County School Calendar, with a some exceptions – Little Explorers starts on the first Tuesday of public school year, we take off the second Thursday and Friday in November for FLOCS Educator Conference. Open House, First day of school and Last day of school, and days with Special Events - may have early dismissal. If Sarasota County schools close for severe weather, then Little Explorers will be closed. A school calendar will be provided mid-June.

Discipline Practices / Behavioral Issues

The goal of discipline is to assist children in becoming self-directed, self-disciplined individuals in society. This self-control is vital for children to learn now for the future. Although we cannot protect children from negative experiences and feelings, we can teach them to cope in appropriate ways. The goal for each child is self-discipline. If one anticipates behavior and provides guidance and redirection, many issues can be circumvented. We support creative discipline methods. When explaining what proper behavior is, we utilize the Bible to show the commands of our Lord. We know how to behave because Jesus Christ tells us.

Teachers goal is to set the child up for success. The teacher must aid children in developing self-control over their actions, through consistent routine, clear understanding of the rules, and loving redirection. At the same time, there are strict limits to ensure safety of students and staff members.

Severe discipline issues will be documented with the date, time, location,

Discipline Practices / Behavioral Issues—continued

individuals involved, actions taken, and preventive measures implemented in the classroom. All incidents will be documented and parents will be informed and a copy of the report provided. Due to confidentiality the “offended party’s” name will not be released. All documented information will prove to be useful for parent conferences and other situations. If particular incidents and/or behavioral issues continue to arise with a student in the classroom, a meeting will be scheduled between the Preschool Director, teachers, and parents. We will always be willing to work with any student and family on **any** issues, as long as we see progress and effort on the student and parent/guardian’s part. However, excessive aggressive behavior will not be tolerated. We reserve the right to ask the student to withdrawal from the program and terminate enrollment in the event that a child’s behavior is harmful to other students, teachers, and/or the child’s needs are not compatible with our program.

Below is a list of acceptable discipline practices:

- 1 Positive reinforcement
- 2 Redirecting
- 3 Removing privileges
- 4 Natural consequences (consequences should be fair, consistent and logical)
- 5 “Think about it” Area (a quiet spot to regroup themselves)
- 6 Removal from classroom (take child to the preschool director)
- 7 Director can make a telephone call to the parent/guardian, if necessary

Below is a list of unacceptable discipline practices:

- 1 A child shall not be subjected to discipline, which is severe, humiliating or frightening
- 2 Discipline shall not be associated with food, rest or toileting
- 3 Spanking or any other form of physical punishment is prohibited
- 4 Belittling a child

Many scripture passages in the Bible refer to discipline and the necessity of it. Our Father in heaven disciplines us, His children, and we are expected to discipline our children.

‘Discipline your children, and they will give you peace; they will bring you the delights you desire.’
Proverbs 29:17

Expulsion/Dismissal from Program Policy:

1. Non-payment or excessive late payment of tuition and other fees.
2. Failure to adhere to policies and procedures as outlined in the Little Explorers Preschool Parent Handbook.
3. Excessive tardiness or absenteeism.
4. The child's behavior is harmful to other students, and/or teachers.
5. The child's needs are not compatible with our program or we do not feel equipped to handle behavioral/developmental concerns.
6. The parent/guardian exhibits behavior which is detrimental to the health and well being of the children and/or staff in a classroom or negatively interferes with the normal functioning of the Church, Preschool, classroom and/or program.
7. If parent does not seek outside help as established at conference and behavior/developmental concerns continue, the child may be asked to withdraw from the school.

Miscellaneous Policies and Procedures

Peanut and Nut Free Facility

At our facility there are some children that have allergies and we try to make our environment a safe place for these children. For this reason we have designated Little Explorers Preschool a peanut/nut free zone. We ask that you not send in snacks, Birthday treats, or lunches with your child that are made with nuts of any type. If you have any further questions about approved snacks, please don't hesitate to ask and we will provide you with a list of suggestions.

Snacks & Meals

LEP requests that every child bring their own snack to school. The children will not be allowed to share their snacks. Many children have allergies to certain foods, food colorings, additives, etc. Safety is our number one concern. We also talk about nutrition and expect that the snack your child brings will be nutritious. Candy is not an allowable snack and gum chewing is not allowed any time at school.

We do not provide lunches. We request that you provide your child with a nutritiously balanced meal. If refrigeration and/or microwaving are required Little Explorers will be happy to accommodate your request. We also request that your child brings a water bottle daily labeled with their name.

Photos Taken In The Classroom

Teachers may take photos during the day's activities and display the photos in the classroom. When we promote the Little Explorers Preschool program to the church family we may use miscellaneous photos of the children during their busy day. Little Explorers will often use these pictures on our Facebook page: www.facebook.com/LEP.CLC/.

If you do NOT want us to take photos of your child during the day at Little Explorers Preschool program, please indicate on the photo/media release form.

Animals on Site

Parents will be informed in advance if animals will be brought into the building. Currently we only have fish on site.

Miscellaneous Policies and Procedures... Continued

Emergency Evacuation Plan

In the unlikely event of an emergency, evacuation routes and safe areas have been designated. If the building were on fire, children would be escorted through the designated fire exits in their particular part of the building and moved quickly to several "safe zones" marked on poles in the parking lot. We would contact you to arrive at school as soon as possible and pick-up your child.

We practice our fire drills at least once a month with the students, so that they are familiar with the process and routes that must be taken in an emergency.

Proper transportation practices to and from school

Florida law requires:

- Children age 5 and under to be secured properly in a crash-tested, federally approved child restraint device.
- Children ages 0 to 3 must be in child restraint devices of a separate carrier or a vehicle manufacturer's integrated child seat.
- Children age 4 and 5 must be in a separate carrier, integrated child seat or booster seat.

We request that you follow Florida's rules and regulations regarding proper use of car restraints for your child to and from school.

Also, while dropping off your child(ren) at Little Explorers Preschool you may NOT leave any other minor child(ren) in your car. If you have any questions or concerns about this policy please contact the Director.

Children's Attire

We recognize the need for children to run and play. Children will need to wear clothes that will allow them full movement to run, jump, climb, and crawl and have fun. Shoes should be closed toe with a back like sneakers. **Flip flops and Croc's are not permitted.** Parents must provide a set of clothes/underwear and diapers/pull-ups and wipes (if applicable) to be kept in the classroom and replaced when necessary.
