

# Hebrews 10:24-25

## **A Call to Draw Near, Hold Fast, and Encourage (vv. 19–25)**

Because of Christ's finished work, believers now have:

- **Confidence** to enter God's presence
- A **new and living way** through Christ's body
- A **great High Priest** over God's house

So the writer gives three exhortations:

### **1. Draw near**

With a sincere heart and full assurance of faith.

### **2. Hold fast**

Don't let go of your confession—God is faithful.

### **3. Stir one another up**

Encourage love and good works.  
Don't neglect gathering together.  
Meet even more as the Day approaches.

This is one of the strongest biblical foundations for Christian community and mutual encouragement.
